How dental care works in Jersey

Dentistry in Jersey works differently from the UK, and a lot of what you'll find online is about the NHS. This is how it works here.

There's no NHS dentistry

Jersey [isn't part of the NHS](#), and adult dental care is private. Fees vary from practice to practice, so ask for a price list and whether the practice is taking new patients before you register.

Every dentist must be registered

Under the [Dentistry \(Jersey\) Law 2015](#), a dentist must be registered in Jersey through the Royal Court, which is only possible while they are on the UK General Dental Council's register. You can check any dentist on the [GDC online register](#), which also shows any conditions on their practice.

Hygienists, therapists, dental nurses and technicians are registered by the [Jersey Care Commission](#).

Children and teenagers

The hospital's [dental department](#) treats children up to Year 6. From the end of primary school until they leave full-time education, the [Jersey Dental Fitness Scheme](#) covers routine care, such as check-ups, x-rays and fillings, for a monthly fee paid to the dentist. It doesn't cover orthodontics, crowns or cosmetic work.

Families with an income under £67,622 who have lived in Jersey for five years can get help with the first course of treatment that makes a child dentally fit to join.

Help for pensioners and people on low incomes

[Pension Plus](#) pays eligible pensioners up to £55 a year towards a check-up and up to £1,900 every four years towards treatment or dentures. People on Income Support can apply for a [special payment](#) towards essential dental treatment.

Dental emergencies

Call your own practice first, and check its website for its emergency arrangements. Outside opening hours, after an accident or an injury to the face, go to the Emergency Department at the General Hospital. For a primary-age child in pain, the hospital dental department is on 01534 445300.

Listings are free and in alphabetical order. Jersey Web is not connected with these businesses unless a listing says so: check details with each business before you book. Guidance checked 1 October 2026.

Run a Jersey business?
