01534 601999

## Car servicing in Jersey: what's different

Jersey has no MOT for private cars and no road tax, which surprises plenty of people who move here. A quick guide to how it works.

### No MOT for private cars, yet

Driver and Vehicle Standards (DVS) tests public service vehicles, commercial vehicles over 3.5 tonnes, mopeds, light motorcycles and minibuses, but not private cars. Testing for other vehicles is planned by [31 March 2028](#), with no date set as of the last official answer. Until then, a regular service is the main check your car gets, so keep the paperwork.

### No road tax, but VED when you register

Jersey [doesn't have a road tax](#): it was abolished at the end of 1993 and replaced by duty on fuel. Instead, [Vehicle Emissions Duty](#) is paid once, when a vehicle is first registered on the island, based on its CO2 emissions. Zero-emission vehicles are exempt.

### Bringing a car to Jersey

A car brought to the island is declared to Customs, with [GST at 5%](#) on its value including freight and insurance. Then you pay VED, DVS inspects the car and it is registered with a Jersey number plate. The fees are on gov.je.

### Your rights when a garage works on your car

Under the [Supply of Goods and Services \(Jersey\) Law 2009](#), a garage must do the work with reasonable care and skill, in a reasonable time, and for a reasonable price if no price was agreed. Agree the price, or a limit, before work starts, and ask the garage to call you before going over it. The Consumer Advice Service can help on 01534 448160.

### Buying a used car from a garage

When you buy second-hand from a business, you have the [same rights as buying new](#), except for reasonable wear and tear. Buying from a private seller gives you fewer rights.

Listings are free and in alphabetical order. Jersey Web is not connected with these businesses unless a listing says so: check details with each business before you book. Guidance checked 1 October 2026.

## Run a Jersey business?
