Buying and sending Jersey gifts

Look for the Genuine Jersey mark

The Genuine Jersey Products Association, founded in 2001, has just over 180 members. Its mark shows a product was reared, caught, grown or made on the island, and only members can use it.

Jersey Royals are protected

“Jersey Royal Potatoes” is a protected designation of origin, so the name can only be used for potatoes grown on the island, under the product specification.

Posting a gift to the UK

Jersey Post builds the customs declaration into the labels its postage calculator makes. It says a gift sent between two private people, with no payment involved, needs VAT paid if it is worth more than £39. In a parcel with several gifts, the £39 applies to each item, and each must be wrapped and declared separately.

Prices and your rights

Prices shown to shoppers must include Jersey’s 5% GST where it applies. Goods must be of satisfactory quality, fit for purpose and as described under the Supply of Goods and Services (Jersey) Law 2009, and Trading Standards Jersey gives free advice on 01534 448160.

Listings are free and in alphabetical order. Jersey Web is not connected with these businesses unless a listing says so: check details with each business before you book. Guidance checked 14 November 2026.
