Build and hosting prices

Every price here is a “from” price. Builds and hosting are priced to the job, so the figures below are rough guides, not quotes.

Website	Build	First year with hosting	Three years with hosting
A one-page website One well-organised page: what you do, where you work and how to get in touch.	From £100 to £300	From £340 to £540	From £820 to £1,020
A website with several pages A homepage plus pages for your services, your work, about and contact.	From £300 to £800	From £540 to £1,040	From £1,020 to £1,520
An online shop or booking site	Priced after a short chat about products, payments and delivery		

THE KEY FIGURES

- ✓ Website build: from £100, priced to the job.
- ✓ Hosting: from £20 a month (from £240 a year). No long contract and no setup fee for hosting.
- ✓ No upfront cost: no build price, with hosting from £50 a month instead.
- ✓ Typical turnaround: two to three weeks once we have your details and content.

What the build includes

- ✓ A bespoke homepage and your key business pages.
- ✓ A mobile-friendly, speed-conscious build with a contact form and SSL.
- ✓ Launch support to get you live.

What changes the build price

- ✓ How many pages the site needs.
- ✓ Whether you need features such as an online shop or bookings.
- ✓ How much writing and photography is involved.

What hosting from £20 a month covers

- ✓ The server your site runs on.
- ✓ Security and the SSL certificate.
- ✓ Backups and ongoing maintenance.
- ✓ A real person to contact when you want a change.

What is priced separately

- ✓ Your domain name, registered in your name. A .je is £49 a year direct from the registry; registrars set their own prices.
- ✓ Monthly SEO, priced per business with a written monthly price first and a three-month minimum.
- ✓ Other extras such as copywriting or a brand refresh, quoted only if you want them.
